## Assembly Instructions

### Before assembly

- We recommend that time is taken to read the instructions before starting assembly, then follow the easy step by step guide. The instruction sheet is only a guide to the assembly. Certain items may not be shown to scale.
- Check all components prior to assembly
- This product should be assembled by no less than two people.
- Never attempt to erect the assembly in high winds.

No.	Components	Qty.
1	Curved arch section	1
2	Mid leg section	2
2	bottom leg section	2
2	Connectors	4

Join the sections of the arch as shown using the connectors.

Push the steel tubular feet of the willow arch into soft ground to help fix and hold the arch into position.

We constantly improve the quality of our products, occasionally the components may differ from the components shown and are only correct at time of printing. We reserve the right to change the specification of our products without prior notice.
